Register for NetBank

There are two ways to register for NetBank:

- do it yourself online at commbank.com.au/netbank; or
- ask your adviser to do it for you (via application or request to Service Team).

To register you'll need a mobile number and an email address.

Once you're registered, we'll send you:

- an email with your client number; and
- a text message with your temporary password (valid for 28 days).

Using NetBank for the first time:

1. Go to CommBank.com.au/Netbank
2. Log on using your client number and temporary password.
3. Set your own password.
4. Create your secret questions and answers.
5. Accept the Electronic Banking Terms and Conditions.

Accessing your new CommBank Accelerator Cash Account (ACA) online

New CommBank customers will receive an 'Offer Confirmation' letter by mail confirming your new account details.

Existing CommBank customers will receive:

- an 'Offer Confirmation' letter by mail confirming your new account details; and
- an email notifying you of your new account the next time you log in to NetBank.

We've created videos to help you learn about NetBank features and how to use them.

To start watching:

1. Go to youtube.com/CommBank
2. Search 'NetBank' in the CommBank channel.
